RESPONSE TO RESTRICTION REQUIREMENT AND ELECTION OF SPECIES

Sir:

Responsive to the restriction requirement of July 7, 2003, Applicant hereby elects the invention of Group I, pending Claims 1-10, for search and examination.

Responsive to the requirement to elect a single disclosed species, Applicant hereby elects the hydroxyaryl phosphine oxide mixtures of Claim 3, the 4-hydroxyphenyl substituted mixtures.

The foregoing elections are made with traverse.

As to elected Claims 1-10, Claims 1 and 10 are generic to the species elected and are readable thereon. Claim 3 is specific to the elected species and is also readable thereon.

The following linking claims are also readable in part on the species elected and should likewise be considered: 20-31; 32-44; 45-55 and 56-59.

Inasmuch as Claims 20-31, 32-44, 45-55 and 56-59 include the subject matter of at least Claim 1, these claims should be allowable provided Claim 1 is allowable.

This response is believed timely. If an *Extension of Time* is necessary, please consider this a *Petition* therefore and charge our Deposit Account No. 50-0935.
